

Pirelli Star Driver

(information for ASNs)

Each ASN that wishes to nominate one or more drivers to the mentioned competition should follow the enclosed Entry Condition and inform the drivers as follows:

- Each driver will send the normal entry form for each qualifying event marked on the top corner with the letters "PSD"
- Additionally the separate PSD Driver Profile including the photo will be send to Mr Jan Regner (info@rally-erc.com) for the publishing at the European Rally Championship pages (see enclosure)
- The organisers of the qualifying events will ensure the separate PSD classification which will also be send to Mr Regner and published at www.rally-erc.com at the special part of Pirelli competition
- ASN and the drivers must respect enclosed document concerning relations with media
- Concerning of shoot out in Finland the Supplementary regulations will be issued and distributed to the European ASN's concerned by the member of the Region Executive Commission, Mr Sandström and published also at www.rally-erc.com

After the qualifying events and shoot out in Finland all 18 nominated drivers will be informed about their selection by the Region Executive Commission consisting of Mr Mehmel, Sandstrom, Regner and Novak and they will receive all necessary information concerning the final shoot-out.
